Permit Fee Schedule

Deadline:	**Annual Permit (both treatments) / Initial treatment**	**- May 1st**
	Second treatment	**- July 15th**

☐	Permit Fee before deadline	$20.00
☐	Any permit received after deadline (May 1st or July 15th)	$45.00

If more than two (2) treatments are desired, the applicant must already have an annual permit and the Davis County Highway Department must be given a two week notice. There will be a $20.00 fee for each additional treatment.

This permit is subject to the following conditions:

1. The applicant shall obtain this permit as outlined in the Davis County Policy in order to give the Davis County Highway Department time to prepare the roadway surface.
2. Only Calcium Chloride or Lignin Sulfate (tree sap) will be approved. Used motor oil will ***not*** be approved for application as dust control.
3. The Highway Department will maintain/grade the road surface if it is needed, as determined by the County Engineer or his designee. The Highway Department will strive to keep damage to dust treated areas to a minimum, but the Department will perform needed maintenance. Areas disturbed by maintenance activities will not be re-treated by Davis County.
4. The Highway Department may destroy dust treated areas after the first day of October as part of its routine maintenance.
5. Residents must keep their dust control location marked with flags, until October 1st.
6. This agreement expires on December 31st of the present year.

We, the undersigned, hereby make application to Davis County for the permission to apply **____Calcium Chloride/ ____Lignin Sulfate (tree sap)** for the purpose of dust control at the following described location:
