The Board held discussion regarding the 2024 fiscal year budget with County Auditor Linda Humphrey and determined that there would be no action taken for this at this meeting, specifically because of a law passed last week to correct a miscalculation, made by the Iowa Department of Revenue, for residential assessment limitations. The passage of this law requires that all Counties now repeat their “Valuations” process, before completing their budgets. The Auditor will complete this process again and then the Board will move forward with budgeting.

Alan Yahnke moved to adjourn; Dave Henderson seconded; carried unanimously.

ATTEST: LINDA HUMPHREY
